

<p>As a civil engineer, you may be asked to design traffic flow in different cities. Here at Rowan University, traffic is always jammed up. Brainstorm different ways to fix the traffic problem. Write down your team's best idea and submit it to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea.</p>	<p>As a mechanical engineer, you may be asked to improve the performance of your company's new SUV in the snow. Brainstorm ideas and submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea.</p>	<p>As a chemical engineer, you will be playing around with dangerous chemicals. As a good engineer, you will be concerned with safety. Brainstorm ways to keep yourself, others, and the building safe from the dangerous chemical reactions that you will be performing. Submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea.</p>
<p>Working for NASA, the launch date for your space shuttle has been pushed forward. Brainstorm ways to complete the project without sacrificing quality and safety. Submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea..</p>	<p>As a Biomedical Engineer, you may be asked to improve the state of prosthetics for people with disabilities. Brainstorm the ways that prosthetic arms and legs could be enhanced in terms of functionality and ease of use. Submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea.</p>	

<p>As a mechanical engineer working for a supercar company, potential buyers are displeased with your concept car. They want the vehicle to perform and sound better. Brainstorm ways to achieve this. Submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea.</p>	<p>You just locked yourself out of your dorm room, your roommate is home for the weekend, your RA is off duty and it's after 5:00, so Savitz hall is closed. How can you save yourself and get into your room? Submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea.</p>	<p>You are working for a company designing a luxury yacht. Brainstorm different aspects of the yacht that must be considered. Submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea..</p>
<p>You are designing an emergency communication system for an urban city in case of natural disaster. Brainstorm possible ideas for such a system. Submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea.</p>	<p>You are working for a company that is designing a new luxury commercial airplane. Brainstorm new mind-blowing ideas for your new plane design. Submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea..</p>	<p>You are working on making improvements to a fitness tracker. Brainstorm ideas for improvements. Submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea..</p>
<p>You're in charge of marketing for your company. Brainstorm marketing strategies for a new car. Submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea.</p>	<p>Your company has been contracted to provide clean drinking water to a country in need. Brainstorm strategies to accomplish this as efficiently and effectively as possible. Submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea.</p>	<p>Rowan students have complained about the lakes on-campus after heavy rainfall so much that the University decided to do something about it. Brainstorm ideas to mitigate flooded walkways around campus. Submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea.</p>

<p>You are working as a structural engineer on the west coast and are asked design earthquake resistant buildings. Brainstorm ideas to make buildings safer during earthquakes. Submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea.</p>	<p>Your company has been contracted to build flood resistant buildings. Brainstorm ideas to make buildings safer during flooding conditions. Submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea..</p>	<p>As a military engineer, you've been tasked with improving tactical weaponry. Brainstorm ways to make the US's weaponry more effective. Submit your team's best idea to your professor.</p> <p>Set a one minute timer. The professor will select what they think is the best idea..</p>
