

BMED 2110 Project Phase 1

Due Date: Submit on Canvas by Tuesday 10:00 pm 10/20/2020

Grading Specification for Phase 1 story (4 points)

After you've completed the phase 1 project, write a story as follows, this is an individual assignment, each person should create/submit the story individually:

| Section | Section Content |
|-------------------------------|--|
| Format (0.5 point) | Less than 500 words |
| | Times New Roman, 12-point, 1" margins |
| | Name of authors |
| | Submit as PDF |
| | Update the portfolio page in your OneNote notebook |
| Story guideline: (3.5 points) | <p>The purpose of the second story is to build empathy for one group of people who do not benefit, or perhaps are even harmed, by the original design.</p> <p>Write a story about the group that were neglected because of the bias in the design that you studied, based on the information you gathered in your product 1. The goal of this story is to increase the awareness for a general audience: To "count" as story, it must have the following characteristics:</p> <ul style="list-style-type: none">• Involves the main character being changed in some specific way.• Takes place at a specific time and place• Make it sticky. Include a few compelling details to make the story specific, real and "delicious".• Helps the reader "see" your story, like they are watching a movie.• Tell us how you (or the main character if that's not you) felt. |
